From the D C Kolar District
No As-C 185/46 7 dated 30-7-47
Request sanction to the remission of Rs 2 000/- in pursuance of the resolution of the Chintamani Town mlty dated 28 6 45

1 The D C states that during the year 1944 45 the right to collect taxes at the shandy yard of Chintamani Town was sold by open auction to one Mr H Abdul Khader for an annual rental of Rs 6,120/-, payable in monthly Khists

2 Since plague broke out in some parts of Chintamani and in the neighbouring villages during Oct 1944, in order to check the further spread of the epidemic the shandy at Chintamani Town was prohibited for a total period of 14 weeks, as detailed below in pursuance of the notifications issued from D C's office —

i) for 4 weeks from 27 10 44 ii) for 5 weeks from 20 12 44 and
iii) for 5 weeks from 4 2 45

3 The contractor Mr Abdul Khader gave a petition to the President, Chintamani Town mlt Council on 30 3 45 praying for remission of proportionate Khist amount on account of loss sustained by him owing to the stoppage of the shandy due to the prevalence of plague

4 The mlt Council, have at their meeting held on 28 6 46 resolved to remit a sum of Rs 2000/-

5 The proportionate Khist amount works out to only Rs 1646 12-0 at Rs 117 10-0 per week

6 The President reports that in the intervening periods when the shandy was permitted the congregation was not satisfactory and the collection of fees by the contractor suffered. The accounts maintained by the contractor were scrutinised and found that the contractor sustained a total loss of Rs 2539-2-9 during the whole year 1944-45

7 The D C states the amount of Rs 2,000/- recommended for remission by the consl does not bear any proportion to the loss actually sustained by the contractors 14 weeks during which period the holding of the shandy was prohibited The proportionate amount of loss Rs 1646 12-0 when compared to the loss of Rs 2,539-2-9 sustained by the contractor is certainly a heavy amount and it would go a long way to relieve the depression of the contractor The proposal of the ~~sympathetic~~ ml ch seems to be sympathetic

8 The President adds that the delay in sending up the resolution of the consl for sanction was due to the fact that the contractor had not paid up the balance of shandy Rent of Rs 2000/- proposed to be remitted and that therefore submission of the recommendation for remission was withheld It is stated that the balance of amount due by him has been recently recovered and that Rs 2,060/- still outstanding against the contractor which represent the loss sustained in 14 weeks may be remitted

9 The D C states that the stoppage of the shandy on grounds of Public Health by a ~~contractor~~ competent authority has caused the loss to the contractor and therefore requests sanction of Govt to the remission of Rs 2,000/- in pursuance of the resolution of the municipal consl

Subject - Remission of shandy khist amount due from Mr H Abdul Khader, shandy Contractor in Chintamani Municipality

I have the honour to enclose herewith the records received from the President, Town Municipal Council, Chintamani, with his O H C 330/44-45 dated 28/6/1947 on the above subject and to state that during the year 1944-45 the right to collect taxes at the shandy gate of Chintamani Town was sold in open sale to Mr H Abdul Khader for an annual rental of Rs 6120/- payable in monthly khists Plague broke out in some parts of Chintamani and in the neighbouring villages during October 1944 and in order to check the further spread of the epidemic, the shandy at Chintamani Town was prohibited for a total period of 14 weeks, as detailed below in pursuance of notifications issued from this office Copies of these notifications are enclosed in the records for favour of reference

1	From 20-10-1944 for	5 weeks	14/52
2	From 27/10/1944 for	4 weeks	
3	From 4/2/1945 for	5 weeks	

The shandy Contractor Mr Abdul Khader gave a petition to the President, Municipal Council, Chintamani on 30/3/45 stating that he suffered a heavy loss owing to the stoppage of the shandy due to the prevelence of plague and that he may therefore be suitably compensated by sanctioning remission of the proportionate khist amount The Municipal Council who considered this subject at their meeting held on 28/6/1945 have resolved that a sum of Rs 2000/- out of the khist amount due by the Contractor may be remitted and the balance recovered The President reports that the shandy was prohibited thrice as noted above for a total period of 14 weeks and even in the interim periods when the shandy was permitted, the congregation was not satisfactory and the collection of fees by the Contractor suffered The President reports that the accounts maintained by the Contractor were scrutinised and found that the Contractor sustained a total loss

total loss of Rs 2539-2-9 during the whole year 1944-45 as detailed hereunder:-

(1) Total expenditure incurred by the Contractor as per accounts	6429	2	0
(2) Collections actually made by the Contractor as per his accounts	3389	15	3
Loss sustained	2539	2	9
Proposed to be remitted by the Council	2000	0	0
Net loss to the Contractor Rs	539	2	9

The amount of Rs 2000/- recommended for remission by the Council does not bear any proportion to the loss actually sustained by the Contractor in 14 weeks during which period holding of shandys was prohibited The proportionate amount of loss for 14 weeks works out to Rs 1646/12/0 at Rs 117-10-0 per week and this amount, when compared to the loss of Rs 2539-2-9 sustained by the Contractor is certainly a heavy amount and it would go a long way to relieve the depression of the Contractor The proposal of the Municipal Council seems to be sympathetic The President adds that the delay in sending up the resolution of the Council for sanction was due to the fact that the Contractor had not paid up the balance of shandy khist amount of Rs 2000/- proposed to be remitted and that therefore submission of the recommendation for remission was with held It is stated that the balance of amount due by him has been recently recovered and that Rs 2000/- still outstanding against the Contractor which represent the loss sustained in 14 weeks may be remitted The stoppage of the shandy on grounds of public health by a competent authority has caused the loss to the Contractor The total period of stoppage would be nearly 4 months

In these circumstances I request you to kindly obtain sanct of Government to the remission of Rs 2000/- in pursuance of the resolution of the Municipality referred to above
